

# Celebrate Diversity

At this time in the world, we need to understand,  
that we can not just notice diversity.

Accepting diversity is a small baby step,

But what we all need to do is celebrate.

Celebrate the diversity, celebrate the people in this world who do not look  
like me.

Because that is what makes diversity,

Not just my white complexion, but the complexion of others.

Not just my feminine face, but the genders of others.

We need to celebrate race,

Celebrate gender

Celebrate sexuality

Celebrate religion

Celebrate traditions

Celebrate who you are.

Respect who others are.

This is what is amazing about Diversity,

Because even though we can not understand other people's struggles we can  
still be an Ally.

We can still fight alongside each other

We can still celebrate.

And we all can be kind, to every kind, of mankind.
